

In case Caddgild Technologies reschedules the training event, the options available to the delegates are:

- 100% refund, if the rescheduled dates do not fit into the delegate's schedule.
- The delegate would purely stick on to the batch assigned & can Change the timings with Prior Approval from Caddgild Technologies.
- The delegates, if they so wish, can send a replacement. However, this should be intimated to Caddgild Technologies Solutions at least 3 days prior to the event.

Whereas, if for some unforeseen reasons, a delegate wishes to reschedule his/her registration to a future date, a rescheduling fee is charged as mentioned below:

If the rescheduling request is received 5 business days prior (or more), 10% of registration fee will be charged.

Please note that rescheduling will be subject to availability of seats.

If the request of rescheduling is received within 5 business days or less, no rescheduling will be allowed. However, the delegate can send a replacement instead.

Notwithstanding the foregoing, the course must be attended within 2 months of the participant's original sign-up date, and no refunds or credits will be available for participants who fail to attend a course within this two-month period.
